Dear Kathryn Rasmussens,

In response to your correspondence dated December 13, 2023, the Canada Border Services Agency (CBSA) - International Events and Convention Services Program (IECSP) officially recognizes the following event:

CannExpo
March 22-24, 2024
Enercare Centre
Toronto, ON

The information provided to the CBSA states there will be approximately 4495 attendees to which 5 are foreign to Canada and that the event is open to the general public with sales.

As outlined in your correspondence, this event is expecting approximately 10 foreign exhibitors who are importing display booths, signage, banners and accessories for use at the event.

We are pleased to inform you that the **Border to Show off-site service**, as outlined in the CBSA Departmental memorandum [D8-1-2](#), has been granted for this event.

It should be noted that, non-Canadian exhibitors may import display items and exhibit booths temporarily as outlined in the provisions of tariff classification **9993.00.00.00** duty free, on the condition that the goods will be exported from Canada upon the completion of the event.

Goods imported for sale are not eligible under tariff No. 9993.00.00.00. These goods must be accounted for at time of release on a [Form B3](#), *Canada Customs Coding Form*. Commercial release processing is fully explained in Customs Memorandum [D17-1-5](#).

It has been determined that this event qualifies under the provisions of the *Foreign Organization Remission Order* as outlined in tariff classification **9830.00.00.00**. Conference materials (i.e. office paraphernalia, souvenirs, printed matter, pens, decorations, etc.) may enter Canada free of duty and taxes, provided the items will be exported upon the completion of the event.

Canada^{Canada}

Under certain circumstances, the CBSA will require a security deposit on goods temporarily imported to Canada. These goods are normally documented on the Temporary Admission Permit ([Form E29B](#)).

At the time of exportation, goods granted temporary admission on a Form E29B or Carnet must be presented along with importer's/owner's copies of the appropriate documentation to the CBSA for verification and certification. This presentation may occur at a CBSA office inland or at the port of export, depending on the circumstances involved and is necessary for you to receive a refund of any securities posted. Please note that the refund is not immediate.

The legalization of cannabis in Canada does not change border-related laws with regards to importing and exporting cannabis. The movement of cannabis and products containing it across the border, without authorization from the Government of Canada, remains illegal. This prohibition applies regardless of quantity, or intended use. For more information please refer to these websites:

- www.cbsa-asfc.gc.ca/publications/dm-md/d19/d19-9-2-eng.html
- www.canada.ca/en/services/health/campaigns/cannabis.html

The IECSP has been informed that **Cross Connect Customs and Event Logistics, Inc.** has been designated as the official customs broker for this event. If you have any questions regarding importing event materials into Canada or if you wish to inquire as to the brokerage services provided, please contact **Danny Mekhurl** at **416-706-1956**.

CBSA requires everyone seeking admission into Canada to properly declare themselves to the CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

Persons who have been convicted of any criminal offences may be inadmissible to Canada. For more information please visit: www.canada.ca/en/immigration-refugees-citizenship/services/immigrate-canada/inadmissibility.html

If you are an event organizer and you have attendees from visa-requiring countries (www.cic.gc.ca/english/visit/visas.asp), please contact the Special Events Unit of Immigration, Refugees and Citizenship Canada (IRCC) at special.events@cic.gc.ca with the specifics of your event. They will assess the visa requirements of your event.

Visa-exempt foreign nationals, excluding U.S. citizens, now require an Electronic Travel Authorization (eTA) to fly to or transit through Canada. For more information please visit: www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/eta/apply.html

Foreign nationals may engage in exhibiting, selling or displaying goods without a work permit provided they are not selling to the general public. Direct sales to the general public require a work permit. For more information please visit: www.canada.ca/en/immigration-refugees-citizenship/services/work-canada.html

If you are arriving at one of Canada's main airports (www.cbsa-asfc.gc.ca/services/border-tech-frontiere/pik-bip-eng.html), you can complete your customs and immigration declaration at an airport kiosk or eGate upon arrival.

Save time and submit an Advance Declaration (www.canada.ca/en/border-services-agency/services/arrivecan.html), up to 72 hours before you arrive in Canada. This allows you to do so at your own pace, and in a preferred environment. Special access to express lanes in the arrivals hall will be given to travellers who have used this feature.

You may then retrieve your declaration by scanning your travel document and confirming your identity at an airport kiosk or eGate before presenting yourself to a border services officer.

All passengers arriving at other airports must fill out a paper E311 CBSA Declaration Card prior to arrival and present it to a border services officer.

To facilitate border procedures during entry into Canada, each participant should have a copy of this letter and be in possession of an itemized list of articles stating description, quantity and value for presentation to CBSA officials.

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Gavin Shuell
